### WHY Volunteer?

It is a fun way to meet new people, develop skills, practice skills, share passions, engage with the community, and enhance other experiences.

### General Opportunities:

**Youth Opportunities** – For students' Ninth grade and up there are opportunities to utilize your computer skills in assisting seniors with technology; or data entry projects. There are other projects seasonally. For more information, contact the Center.

**Adults** - Utilize your skills and talents to start a new program or league (Ping Pong, Bocce, Corn Hole, etc.) or facilitate an existing group (table games, cards, discussion). There is opportunity to be an office volunteer assisting with registrations, greeting members, and special projects. For more information, contact the Center.

### Specific Opportunities:

**Marketing Volunteer** – Assist the Board of Directors in posting event/class flyers in the community

Contact the Center Director or Assistant for a volunteer application.
