MEMO TO: Police & Fire Commission

FROM: Kevin Hingiss, Chief

SUBJECT: 2015 ANNUAL REPORT

The Annual Report for the City of Port Washington Police Department covering the period of January 1, 2015, through December 31, 2015, is hereby submitted for your review.

Throughout 2015 the Port Washington Police Department continued to experience change in the areas of personnel, technology, and equipment. After more than 27 years of service, Officer Eric Schmeling decided to retire. Late in 2015, we welcomed new Officer Anthony Vitella.

A new 2015 Ford Interceptor SUV was purchased and converted to a bi-fuel vehicle. This brings the total of gasoline/propane powered vehicles to four. We continue to benefit from fuel savings as a result of converting the new vehicles to run on propane as well as gasoline. We also received a \$3267 propane tax credit in 2015.

The 1999 Pontiac Montana minivan was traded in on a new Dodge Caravan. The police reserves mainly use it for traffic direction. In addition, the police department uses it to run errands (such as to pick up mail, drop off radios and radar units for repair in Milwaukee, pick up supplies, etc.) and as a back-up school car.

The 1995 right-hand drive Subaru was sold outright. The vehicle was formerly used for parking enforcement and to run errands.

We have purchased four Getac touch-screen laptop computers. Three will be retrofitted into squads with one being installed in our new 2016 Ford Interceptor SUV.

The department has had at its disposal a Can-Am ATV loaned to the department for summer beach patrol by Cedar Creek Motor Sports.

In 2015, the Port Washington Lions Club generously donated funds for Green Bay Packer football cards for distribution to the children in the community. The Packer football card program continues to be very popular with the children. We also offered two "Ride to School in a Patrol Car" certificates for various fund-raising events.

Mid-Moraine Municipal Court continues to be a valuable asset for the City of Port Washington. All ordinance violation cases are efficiently handled by municipal court and help to improve the quality of life in our community. Through the Wisconsin TraCS System, citations issued by officers are automatically transmitted to municipal court and to WI Department of Transportation for processing.

The department remains committed to working proactively and in close partnership with the community and its residents. We strive to provide high quality professional and innovative police services to all. The department is dedicated to promoting and maintaining a sense of safety, security, stability, and peace of mind within the City of Port Washington. We strive to be both sensitive and responsive to community challenges and concerns. Our efforts to improve and expand upon our community programs continue.

In an effort to strengthen police-student relationships, in 2013 the department assigned an officer part-time to serve as a School Resource Officer (SRO) with the Port Washington/Saukville School District. The SRO's mission is to build working relationships with students, faculty, administration, and parents; address on-site security; combat school violence; and serve as a positive role model for the students. We resumed hosting the Hunter Safety Education Course in 2014 and it was offered in 2015. Two sessions of Citizens Response to Active Shooter training were offered with a total of approximately 30 citizens in attendance. Response to active shooter/intruder training was provided for Ozaukee County administration employees as well as Port Washington/Saukville School District personnel.

We are slowly building on a more formalized crime prevention program. Our mission is twofold: to promote citizen participation in the reduction and prevention of crime through education, as well as to provide educational and safety-related programs based on community needs. Officer Steven Footit has been gathering material and ideas and received training through the Southern Police Institute in crime prevention through environmental design as well as training through the Wisconsin Crime Prevention Practitioners (WCPPA).

We continue to update our Accreditation files to keep them in compliance with accreditation standards. The Port Washington Police Dept. was initially accredited by the Wisconsin Law Enforcement Accreditation Group in July 2010. Re-accreditation took place in September 2013 and will take place again September 2016.

I am grateful for the cooperation and support the Commission has given me and the trust and confidence you have placed in this department and its officers.

OUR MISSION

The mission of the Port Washington Police Department is to enhance the quality of life in our city by working in partnership with the community, to protect and serve the community's quest for a peaceful and safe existence, with democratic values applied equally to all citizens.
