MEMO TO: Police & Fire Commission
Mayor Mlada
Members of the Common Council
Port Washington Residents

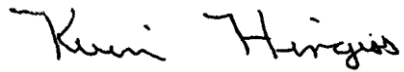

FROM: Kevin Hingiss, Chief

The following pages contain the Port Washington Police Department's 2017 Annual Report. This report gives insight into the activities, services, and accomplishments of the Port Washington Police Department members whose goal is keeping the City of Port Washington a safe and secure place to live, work, and play.

To highlight a few of our accomplishments in 2017:

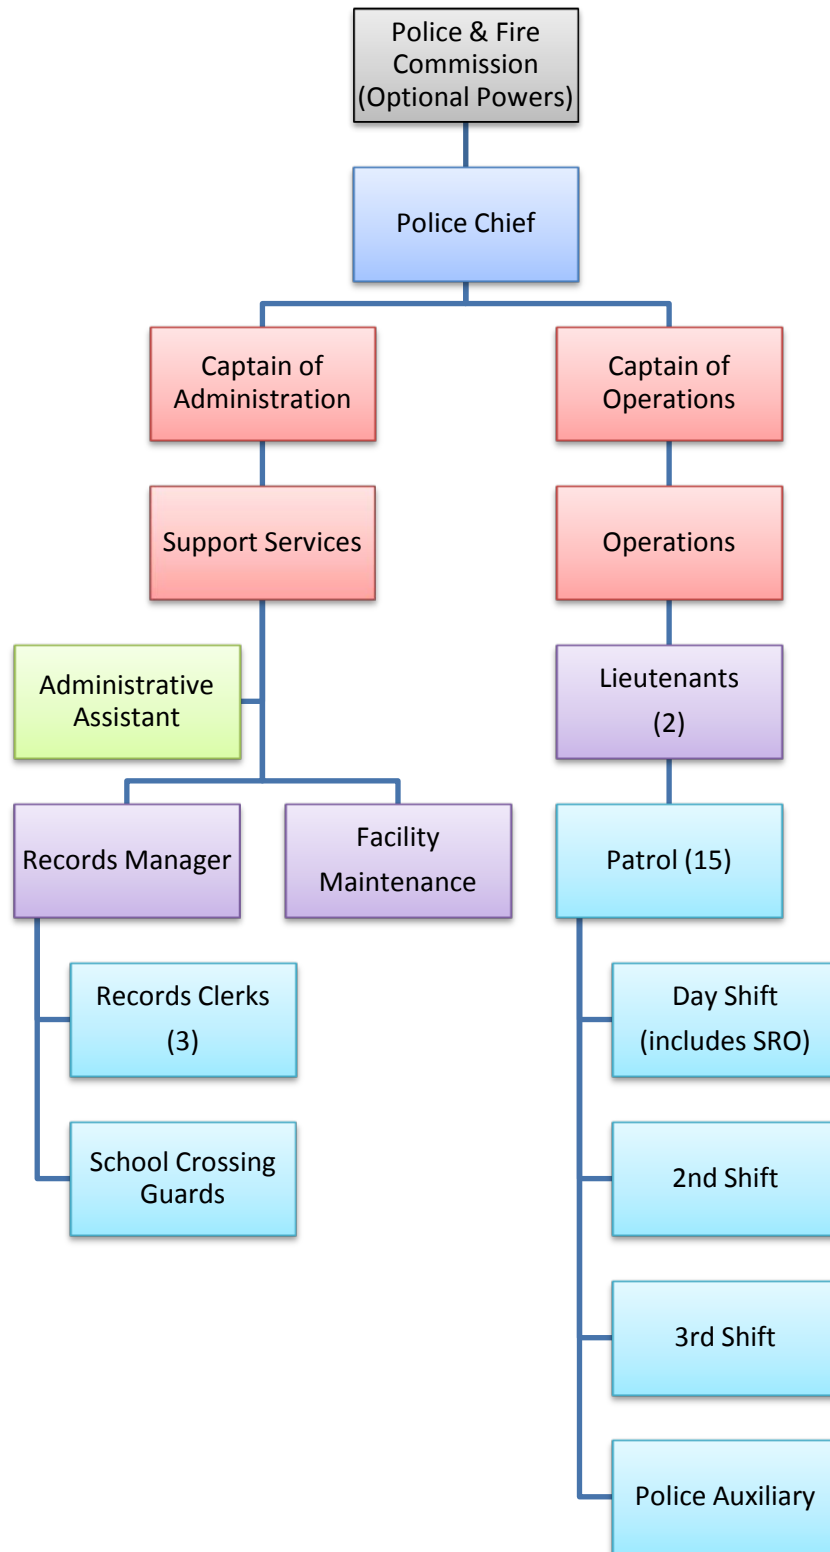

- We continued our partnership with the Port Washington schools. This partnership consists of a part-time School Resource Officer (SRO) and includes participation in a student mentoring program as well as training and preparing school staff on active shooter threats. Through this partnership we have built trust between students and law enforcement as well as keeping students safe.
- Trained officers on dangers of exposure to Fentanyl and developed a policy on providing Naloxone (Narcan) to victims of opioid overdose.
- Continued building our organizational capacity for investigating computer, internet, and mobile technology crimes through training, development and equipment acquisitions.
- According to a report from the National Council for Home Safety and Security, Port Washington was ranked the 10th safest city with a population over 10,000, in Wisconsin. The ranking is based on the FBI Uniform Crime Report.
- We continue to update our Accreditation files to keep them in compliance with accreditation standards. The PYPD is one of only 41 accredited agencies in Wisconsin.
- Hired two new officers, Officers Becker and Kuck, to replace Tom (T.K.) Kajtna and Tom Schleg who retired after 25 years of service. We select and retain only the best.

I wish to thank all the members of the Port Washington Police Department for their professionalism, dedication and commitment to public service. I also want to thank the Port Washington Police & Fire Commission, Mayor Mlada, and the Common Council for their cooperation and continued support, to provide the citizens of Port Washington a safe and secure environment. Lastly, I want to thank the citizens for their support and cooperation.

Bicycle Rodeo

The annual City of Port Washington bike rodeo was held in June. The event is always a success and attended by more than 200 children. Free bicycle helmets, free bike safety checks, and free bike licenses were offered. A bounce house and free food were also provided compliments of Port Washington State Bank and other business donations.

Shop With A Cop

On December 9, 2017, the Port Washington Police Department participated in Ozaukee County Law Enforcement's annual "Shop with a Cop" program at the Saukville Walmart and Grafton's Meijer Stores. Children in need were paired with officers from PYPD and other Ozaukee County law enforcement agencies, to shop for Christmas gifts for the children and their families using funds generously donated by Walmart, Meijers, Oldenburg Metals, Rebel Manufacturing, and other private donations.

Safety Town

Safety Town is held every June at Dunwiddie Elementary School. It is a two-week program for children who will be entering kindergarten in the fall. It is sponsored by the Port Washington Kiwanis Club, with support from the Port Washington Police Department and Saukville Police Department.

Students learn about safety by riding small cars through the streets of a miniature town constructed on the playground. Further instruction is enhanced by visits from the Port Washington Fire Department, McGruff, a Wisconsin State Trooper, and other guests and speakers. The children will also take a short field trip on a bus to learn about bus safety and water safety.

National Night Out

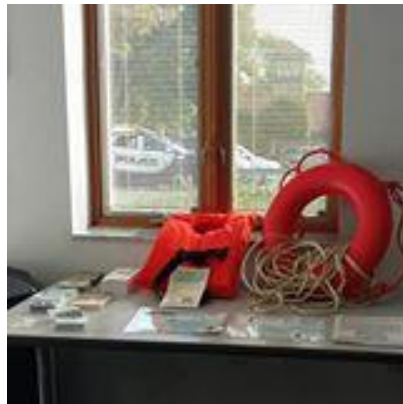

August 15, 2017, Grady Park, Saukville

National Night Out is a campaign involving citizens, law enforcement agencies, civic groups, businesses, neighborhood organizations, and local officials. National Night Out is designed to heighten crime prevention and drug awareness, generate support for and participation in local anticrime programs, strengthen neighborhood spirit and police-community partnerships and to send a message to criminals letting them know that our neighborhoods are organized and fighting back.

Open House

The Police Department Open House was held on October 1, 2017, in conjunction with the Fire Department Open House.

SPECIFIC WORK PLAN FOR 2018

1. Institute a formal employee/citizen awards program to recognize an employee's service over and above what is normally expected in similar circumstances.
2. Further cultivate police/school partnerships through positive interaction between Port Washington Police, school staff, and students.
 - Continue working with school staff and administration to provide training and advice on response to active shooter events and overall school safety.
 - Develop a partnership between our part-time school resource officer (SRO) and school administration to reduce truancy levels.
3. Further develop our Social Media presence by:
 - Building trust between the police department and our community through engagement with each other.
 - Spread knowledge and information quickly that could protect our community, help catch suspects, or find missing persons.
 - Control information otherwise not covered by the press.
4. Continue to build our organizational capacity for social media, internet, and cell phone investigations through equipment acquisition and officer training.
