Message from the Chief:

The following pages contain the 2020 Port Washington Police Department Annual Report. This report documents the department's accomplishments, challenges, and key actions.

The Port Washington Police Department is an accredited agency through the Wisconsin Law Enforcement Accreditation Group (WILEAG). This accreditation is a reminder of the professionalism of the Port Washington Police Department and a commitment to serving our citizens with compassion and respect while maintaining an agency with integrity and efficiency.

In 2020 we were presented with unprecedented challenges associated with the COVID-19 pandemic and the political and civil unrest.

The pandemic caused us to make changes to limit/reduce close contact in our building as well as out in the public. Access to the front lobby was limited and as many calls as possible were handled over the phone. Cleaning and disinfecting became a constant, both in the building and in our patrol vehicles. Through our diligence, we were able to limit the number of employees infected or in close contact with COVID-19.

The death of George Floyd brought both community discussion and action. We are grateful to all of our neighboring law enforcement agencies that assisted us when needed. As an organization, we used this opportunity to increase training to better serve our entire community as well as to build stronger relationships with the citizens we serve.

2020 brought about changes in personnel due to a past retirement. Craig Czarnecki was promoted from Lieutenant to Captain of Administration and Officers Jerry Nye and Ryan Hurda were promoted to Lieutenant.

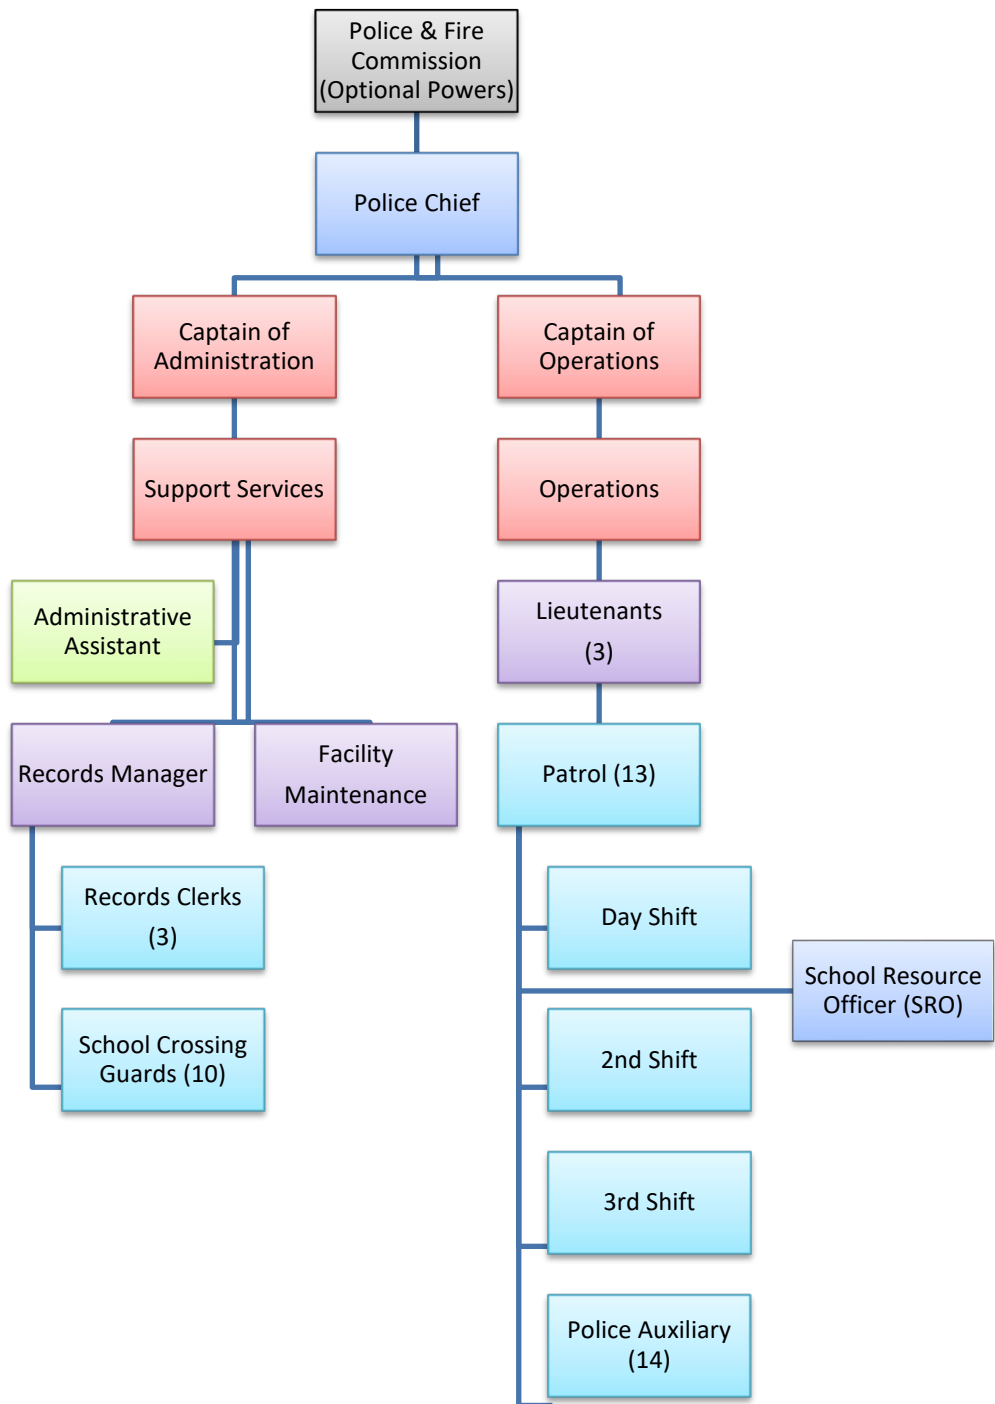

We also took the steps to research a replacement for our aging body-worn cameras (BWCs). With budgeting secured, we ordered and implemented new Axon BWCs.

Finally, I am grateful to all the employees of the Port Washington Police Department. They displayed leadership, professionalism, and competence through what was certainly a challenging and difficult year for law enforcement. I am also thankful for our city leadership and their support as well as the amazing citizens of Port Washington.

Sincerely,

Chief Kevin Hingiss

DRUG RECOGNITION EXPERTS

In response to the escalating drug trends, the department had two officers trained to become Drug Recognition Experts (DRE) in 2014 and 2015. DREs are trained to recognize impairment due to drugs primarily for enforcement of those operating while under the influence of substances other than alcohol. Lt. Knowski and Officer Hurda are our trained Drug Recognition Experts.

Officers undergo four weeks of classroom and practical certification to complete training and become a DRE.

Our DREs were utilized by our department, as well as other local law enforcement agencies, 12 times in 2020.

POLICE RESERVE ACTIVITY

Membership

The Port Washington Police Reserves finished out the year with 14 active members. We had no resignations this year and added 5 new members in the second half of the year. Recruits are welcome and we are constantly looking for recruits who will be active members. We continue to monitor the participation of the members so that we have an active roster from which to fulfill requests for assistance.

This was an unusual year with almost every event canceled due to the lockdowns and restrictions on gatherings. We only had 317 hours contributed by our members this year. While we only had a couple of events to work on, we were able to train the majority of the year. We were able to do some ride-alongs, although those have been restricted the last year as well.

Training

Internal training covered the topics of:

City Familiarization

Handcuffing

Use of Force

Radio Communications

Traffic Control and Direction

Traffic Stops

Crime Scene Investigation

Crime Scene Processing

Trial Court Testimony

Professional Communication

Courtroom Procedures

Officer Down

Clearing Rooms/Buildings

Table Top Scenarios

Scenario training was used to help put the training received to practical use. These scenarios involved the assistance of several officers from the department in addition to the advisors.

Events/Activities

In addition to the training meetings which were held regularly throughout the year, the following is a list of activities participated/assisted in by the Reserves:

COMMUNITY PROGRAMS

Shop with a Cop

On December 19, 2020, the Port Washington Police Department participated in Ozaukee County Law Enforcement's annual "Shop with a Cop" program at the Saukville Walmart and Grafton's Meijer Stores. Children in need were paired with officers from PWRD and other Ozaukee County law enforcement agencies. This year, due to COVID restrictions, officers were provided with a Christmas wish list from the kids to shop for Christmas gifts for the children and their families. Funding was generously donated by Walmart, Meijers, Rebel Manufacturing, Camping World, Prime Minister, Milas Bakery, Pepsi, Fiddleheads Coffee, and other private donations.

SPECIFIC WORK PLAN FOR 2021

- Have a larger presence on Social Media for transparency (showing the good and the bad), community outreach, information dissemination, as well as showing our employees how much their work is valued
- Develop a workshop where we put members of our community (teenagers) through a series of practical scenarios an officer at Port Washington Police Department might face during a typical shift. Scenarios could range from traffic stops to domestic disturbances and heroin overdoses
- Advertise, test, and hire a new patrol officer
- Assign an officer to the multi-jurisdictional Special Response Team (SRT)
- Apply for an opening in the 2021 Department of Criminal Investigation (DCI) Death Investigation School
- Re-allocate duties amongst command staff
